R. No 2478-49/E/35

Station Madras ..., *Dated the* 28th August 1935.

From (Name) Lt.Col.C.M.Ganapathy, M.C., I.M.S.;
(Designation) Director of Public Health, Madras.

To The JOINT Secretary to the Government of Madras,
Local Self Government (Public Health) Department.

Sir,

I have the honour to retransmit herewith the papers relating to the Public Health Establishment of South Kanara District Board and to offer the following remarks seriatim.

Vaccination staff:-The statement of vaccination staff submitted by the President District Board, South Kanara District is correct and complete except for the following changes since its submission to Government. The post of 2nd Class vaccinator held by Mr. B.Laxumana (item 3 of President District Board's statt) was converted into that of a 1st Class vaccinator and the incumbent himself appointed as 1st Class vaccinator with effect from 1-11-34. Mr. B. Bhujanga Shetty (item 4 of the President District Board's

aw 3/9

statement) shown as temporary 2nd Class Vaccinator was acting in a permanent vacancy and he has since been confirmed. Thus the permanent sanctioned strength of vaccination staff under the South Kanara District Board consists of 3 first class and 16 second class vaccinators. In addition to the above existing staff the permanent employment of a lady reserve 2nd Class Vaccinator and a peon to the lady vaccinator is necessary and Government may therefore be pleased to sanction the additional staff proposed above. The District Board may also be advised to convert 5 of the existing 2nd class vaccinators posts as and so as to give the proportion of 1st class to IInd class Vaccinators when vacancies occur into those of 1st class vaccinator, fixed in G.O.No. 2884 P.H., dated, 17-12-34. A statement shewing the strength of the existing vaccination staff and the ultimate distribution of the proposed strength is appended to this letter.

Ministerial staff of the Office of the District Health Officer:- This question may be considered when the strength and compesition of the entire District Board office is fixed.

The Conservancy Staff:-The conservancy and the scavanging staff employed in Coondapoor, Mangalore and Kasargod Taluks is adequate for the present and its strength may be fixed as it stands at present on the present basis. The post of part time sweeper at Bajpe may be converted into a full time combined sweeper and scavanger as the above place is an important health resort with a waterfall. The conservancy staff is reported to be not under the control of the District Health Officer.

Public Health Establishment under Udipi Town:-This has to be dealt with separately in view of the proposed conversion of Udipi rural town into a Municipal town. The Public Health establishment of this town consists of one Sanitary Inspector, one Maistry, 16 Sweepers, 10 Scavangers and one water lorry driver subject to revision when orders regarding the creation of Udipi Municipality are issued the existing strength of the above staff may be fixed on the present basis.

Lighting

Lighting Establishment:-This should not be included in Public Health Establishment.

All the members of the Public Health staff possess the prescribed qualifications.

I have the honour to be,
Sir,
Your most obedient servant,

Lt.Col.,I.M.S.,
Director of Public Health, Madras.

From (Name) M.R.Ry A.B.Shetty Avargal,M.L.C.,
(Designation) President, District Board,
South Kanara.

To The Secretary to the Government of Madras,
Local Self Government Department.
Madras.

Sir,

With reference to Government Memorandum No 24478/1 E 1 P.H.dated 21.8.1934 referred to above, I have the honour to submit herewith a complete list of all Public Health Establish--ments now employed by the South Kanara District Board.

The particulars as regards the community of the sweepers and scavengers have not been furnished in the list as almost all the sweepers and scavengers belong to the depressed classes.

I have the honour to be,
Sir,
Your most obedient Servant,

President.

Copy of G.O. 19501 Rev. Dept. Secn. — E. Secn. 7/9

Copy of letter from the President, District Board, South Kanara, Ref.C.No.1095/A3/34,dated the 1st May 1934.

Establishment- District Board- Non-Ministerial Posts- Government Memorandum No.16854-A1.,I&M.,dated 18th April 1934- reply submitted.

With reference to Government Memorandum No. 16854-A 1.,I&M.,dated 18th April 1934, I have the honour to submit herewith a statement showing the particulars of the non-ministerial posts which are necessary under this District Board in consequence of the abolition of the Taluk Boards.

2. In this connection I have to state that the posts of Medical Officers (both Allopathic and Ayurvedic Vaccinators midwives both attached to disoensaries and working outside in rural parts and school masters are not included in the statement as they are indispensable even after the abolition of Taluk Boards.

3. The post of Secretary which exists under this Board has not been included in the statement as am not sure whether it is non-ministerial though some of the executive duties will have to be attached to t post in consequence of the abolition of Taluk Board.

4. Of the several posts mentioned in the stat ment, 3 panchayat supervisors- the Sanitary Inspector Udipi town with his menial staff and the motor water lorry driver are now in existence.

VE

Statement.

Post required	Scale of pay	Purpose for which the post is required.
ne Assistant Panchayat Officer	Rs.75-5-120	To assist the District Panchayat officer.
ight Panchayat Supervisors	" 35-4/2-75	3 Panchayat Supervisors for Puttu taluk and one for each of the remaining 5 taluks. To help the District Panchayat Officer and the Assistant Panchayat Officer in organising Panchayats in tal where there are no panchayats a present and to supervise the existing panchayats. They can also be directed to supervise elementary schools in their justification.
Sanitary Inspector Udipi Town	Rs.60-3(a)-90 efficiency bar -3-120	To look after the sanitation of the Udipi Town which is second to Mangalore in size and popula tion. It has one Stationary Ci Cinema House, Motor Water Lorry and is a place of pilgrimage. The present incumbent is a full qualified Inspector and has to supervise the work of 13 sweepe 9 scavengers and 3 lamp lights about 100 guano factories. The continuance of the post is necessary.
Motor Water Lorry Driver.	25-1-35	For watering the streets of the Udipi Town.
ons	12-1-18	For District Board Office.

L. S. G. I. P. H. 1935

of 28.8.35.

Subject

Establishment. Public Health
- South Kanara District Board - Fixation
of Strength.

The existing Dt Bd district health
staff consists of 3 first class vaccinators
and 16 second class vaccinators As
the proportion of the first to second class
vaccinators fixed with existing staff
is not in accordance with that fixed
by Govt, (viz 2:3) the D.P.H requests that the
Dt Bd may be advised to convert 5 of the
existing Second Class vaccinators' posts as
and when vacancies occur, into those
of 1st class vaccr. The D.P.H recommends
that in addition to the existing staff
the Dt Bd may be advised to employ
permanently a woman reserve second class
vaccinator and appeal for her. The sanction
of the D.P.H may be communicated to the

DT-Bd for adoption

4 As regards conservancy staff, the DP-H reports that the existing staff in Coondapur, Kaupalur and Kasaragod talukas is adequate and may be fixed as it stands at present. The only modification proposed is that the post of part time Sweeper at Bajpe may be converted into a full time combined Sweeper and Scavenger. This may be commended to the DT-Bd. The existing conservancy staff consists of the following:-

Coondapur taluk

1 Conservancy peon ✓

3 Scavengers

~~4~~ 3 Sweepers - full time
1 Sweeper presumably part time.

Kaupalur taluk

1 Conservancy peon

2 Scavengers

1½ full time Sweepers

2 Part time Sweeper

Kasaragod taluk.

1 Naikri

9 ~~8~~ Sweepers full time
~~1 Sweeper presumably part time.~~

4 Scavengers.

The following staff is being employed for Udupi Town:-

1 Sanitary Inspector

1 maistry

15 Sweepers full time
1 Sweeper presumably part time.
10 Scavengers.

1 watercart driver.

The DPH recommends that the above staff may be fixed for the period the constitution of a municipality for the town.

3/. As it is proposed to continue practically only the existing staff employed by the DC-BD, it does not seem necessary to consult the DC-BD in the matter. The additional cost involved by employing a woman Reserve vaccinator and keeping the part time Sweeper at Bagpe as proposed, will be about Rs 850 a year and the BD may be able to meet it. A draft order is sent for approval as per 4 The existing Establt may be reduced from the Oct. onwards as proposed by the D.P.H.
